

# ONE VOICE Music Project

*Come let us all unite to sing...*

Pink Menno is a motion of people who care about the Mennonite church and are working toward inclusion and welcome of LGBTQ (lesbian, gay, bisexual, transgendered, queer) people. Some of us were visible witnesses for this hope at the Mennonite Church USA convention in summer 2009.

Now we're gathering the voices of musicians to form a new witness. We are inviting artists – Mennonite and Mennonite-connected, LGBTQ and LGBTQ-friendly – to submit recorded works which will be gathered into a community album of people singing for hope, inclusion, and peace for LGBTQ people. These *ONE VOICE* CD compilations will play a central role in our continuing work: they'll spread joy and hope for those who long for the day of full welcome in the church, they'll be a celebration and affirmation of the community of LGBTQ Mennonites and the people who care for them, and will help us raise funds.

You are invited to take part in this project by submitting original musical work. Possible themes include:

loss and mourning    the color Pink    stories of LGBTQ people  
instrumental    struggle for justice    triumph

Join your voice – humorous, sad, triumphant, joyful - to ours, and the voice of others who wish to sing out strong: "the love of God is greater far than tongue or pen can ever tell!"

Please send contributions as attachments to [pinkmenno@gmail.com](mailto:pinkmenno@gmail.com) or on CD to the following address:
